

PLATINUM SERVICES: A NEW ERA FOR SURGEON GROWTH AND PATIENT CHOICE

You are cordially invited to an evening with Conformis

This informative event will provide insights into an exciting new business model that will shape the future of orthopedics and provide surgeons and their facilities new opportunities for patient engagement and revenue realization. Additionally, we invite you to explore the advantages of the most data-driven implant design on the market with Conformis' new standard Imprint knee system.

Thursday, March 24, 2022
