

## Nuance Upload Instructions

You will receive an email from Nuance with a link to set up a password. This will direct you to Nuance via Internet Explorer. Go ahead and set up a password once this is done you will need to log back in with the new password. This option does require Java. For a Java free option open Google Chrome and paste in the below link to Nuance Log In page.

<https://www1.nuancepowershare.com/smr/login?mode=logout>

Log in to Nuance:

Select upload Images.
